Human Informed Consent Form

Instructions to the Student Researcher(s): An informed consent/assent/permission form should be developed in consultation with the Adult Sponsor, Direct Supervisor or Qualified Scientist.

This form is used to provide information to the research participant (or parent/guardian) and to document written informed consent, minor assent, and/or parental permission.

· When written documentation is required, the researcher keeps the original, signed form.

Students may use this sample form or may copy ALL elements of it into a new document. If the form is serving to document parental permission, a copy of any survey or questionnaire must be attached. Student Researcher(s): Title of Project: I am asking for your voluntary participation in my science fair project. Please read the following information about the project. If you would like to participate, please sign in the appropriate area below. Purpose of the project: If you participate, you will be asked to: Time required for participation: Potential Risks of Study: Benefits: How confidentiality will be maintained:
